

XTRA 600P – 600W Moving Profile Spot

Model No: SLT-MHPL7C01600

MTC

XTRA SERIES – XTRA 600 PROFILE MOVING HEAD LIGHT, also known as a moving head spot and profile moving head, is a versatile lighting fixture widely used in stage lighting, events, halls, TV studio, and architectural applications. It combines mobility with precise beam control, making it a versatile tool for creating dynamic and captivating lighting effects.

XTRA 600P is designed to project sharp-edged beams with precise control over their shape, size, and movement. It features a motorized head that can pan and tilt, allowing the light beam to move across a wide area. These fixtures are equipped with advanced optics and a range of features for creative lighting design.

Key Features

- ▶ **Motorized Movement:** Offers smooth pan (up to 540° or more) and tilt (up to 270°) operations for dynamic effects.)
- ▶ **Zoom Angle Control:** 4.5-50 deg.
- ▶ **Applications:** Suitable for Theater, Stages, Halls, Events, Museums TV Studios, Retail Shops, House of Worship, Fashion Show, Concerts
- ▶ **LED Source:** 600W, 6200K Cool White
- ▶ **Energy Efficiency:** Consumes significantly less power compared to traditional lighting, reducing energy costs.
- ▶ **Dimmability:** Provides smooth dimming capabilities without flickering, ideal for creating ambiance.
- ▶ **Environmentally Friendly:** Free from harmful substances like mercury and emits less UV radiation.

Technical Specifications

Product Specification	SLT-MHPL7C01600
Finishing	Aluminum
Lens	Coated Glass
LED Source	6200K Cool White
Ventilation:	Copper Heat Sink and fans
Color Rendering Index:	95 or above
Color Mixing System	CMY + CTO
Color Wheel	1 Color Wheel (6 colors + Open White, Rotating Rainbow Effect)
Gobo Wheel	1 Gobo Wheel (7 Changeable Rotating Gobos + Open White)
Blading System	4 Blades shaper
Effect Wheel	Prism, Animation Effect,
Dimming Curves:	0-100% Linear
IP Rate	IP25

Zoom Angle:	4.5-50 deg.
Control:	DMX512 or Auto Mode
Power Consumption	600W
Voltage:	110-220V / 50-60Hz
Finishing Color	Black
Features	Iris, Rotating Effects, Shaper Rotate
Operating Temperature	0°C ~ 40°C / 32°F ~ 104°F
Optional accessories:	DMX Cable with XLR 3m,5m,10m
	Hook Clamp. Safety Wire
